

CONGRATULATIONS

Asian/Pacific Gays and Friends

30th Anniversary (1980-2010)

On behalf of the City of Los Angeles, I extend my congratulations to Asian/Pacific Gays and Friends on the occasion of your 30th anniversary. Over the past three decades, A/PG&F has fostered acceptance of LGBT Asians within the greater Asian and LGBT communities. Your exemplary efforts have helped make our City a better place in which to live.
